**BROTHER MANAGED PRINT SERVICES.
DISCOVER THE DIFFERENCE.**

Here's Paul, he's just
bought a Brother printer.

So now he's got this.

A great new printer

Brother printers have the capability to meet any of your business printing needs. So whether you're doing large volumes of black and white

reports or full-colour presentations, your Brother printer will always be ready to do the job.

Here's Marc, he's just
bought a Brother printer
**with Managed Print
Services.**

So now he's got this...

A great new printer that looks after itself

Managed Print Services is exactly that; the simple, cost effective way to manage your print – with no extra effort. And Managed Print Services from Brother is perfect for a small business like yours, with tailored solutions available in a shape and size to suit you.

A printer with Managed Print Services is almost identical to one without, but it will give you improved control, security, efficiency and altogether better print infrastructure. Delivering and installing the printer is only the beginning.

...and this...

No need to order ink or toner

With Managed Print Services you'll never run low on ink or toner again. We'll take care of the ordering, delivery and even recycling of all of your supplies, so you don't even have to pick up the phone.

And thanks to our clever usage calculations, we won't send you anything you don't need, minimising storage and waste.

...and this...

No waiting around for repairs

You don't know what you've got until it's gone. And when the printer is out of action it can bring your business grinding to a halt.

But with a quick response and constant support, the risk of any downtime is kept at a minimum, so you can continue to print and be a more efficient office.

...and this.

No worrying about your spending

As you'll know, it can be tricky to keep on top of your business costs. But with Brother Managed Print Services you get access to a handy web portal where you can find a full breakdown of how much you're paying and where.

So there's no hidden costs or surprises. Well, apart from the opportunity to save up to 30% on printing*.

Plenty of printers to choose from.

There's a wide selection of machines available with Managed Print Services. To find the perfect printer for your fleet, speak to us today.

A NUMBER OF WAYS TO PAY

With flexible financial options, you'll always find a package that's a perfect fit for you.

No problem
